D. REMARKS

Restriction to one of the following inventions was required in the Office Action of May 7, 2002: Group I, Claims 1-12, drawn to a method of applying drywall mud to drywall tape; and Group II, Claims 13-20, drawn to an apparatus for applying drywall mud to drywall tape.

This application has been held abandoned for failure to respond the above-noted Office Action. A petition to revive an unintentionally abandoned application is being submitted concurrently with this response. Upon granting of said petition, Applicant elects the invention of Group I (Claims 1 - 12), without traverse.

In view of the above, it is submitted that the claims are in condition for allowance.

An action on the merits is awaited.

Respectfully submitted,

Jonathan M. Hines
